## 目錄

### 專業、專注

因為對人性的關注、對物質與精神需求的深刻理解，

我們，在除了對產品外觀與結構上近乎苛刻地盡善盡美之外，

更注重深化每一款產品的精神主題，更專注於產品在特定時間、空間裡的功能意義。

在時間與空間，視覺與觸覺，個性與共性之間，

**威亮總能與您心靈相通！**

### Professional & dedicated

Resulting from the concern about human nature, deep understanding of the physical and spiritual needs, we not only require perfect outlook and structure of product, but also we pay more attention to deepen the spiritual theme of each product and its functional significance in specific time and space.

Between time and space, vision and touch, individuality and commonality,

**inTouch always connects with your heart!**
